

# Community Investment Fee Schedule

The Community Foundation Tampa Bay is about more than transactions; we are about transformation. While fees collected for funds held at the Community Foundation support the processing of grant checks, accepting and acknowledging donations, completing annual audits and reporting, our fees also make you part of the change we enable in the communities we serve. It's the community convening, the strategic grantmaking, the donor connections and the promotion of charitable giving that ultimately transforms the communities we call home. Thank you for joining us.
