INDEPENDENT AUDITORS' REPORT

The Board of Trustees
Community Foundation of Tampa Bay, Inc.

Opinion

We have audited the accompanying financial statements of Community Foundation of Tampa Bay, Inc. (a nonprofit organization) (the "Foundation"), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Foundation of Tampa Bay, Inc. as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Foundation of Tampa Bay, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and

certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 15, 2022 on our consideration of the Foundation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited the Community Foundation of Tampa Bay, Inc.'s 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 16, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the organization's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Description of the Organization

Community Foundation of Tampa Bay, Inc. (the "Foundation") is a not-for-profit corporation created on November 27, 1989. The Foundation is a tax-exempt, publicly-supported charitable organization, formed and existing exclusively to support charitable purposes primarily for the benefit of the Tampa Bay community, including but not limited to Hillsborough, Pinellas, Pasco, Hernando and Citrus counties of Florida.

2. Basis of Accounting

The financial statements of the Foundation have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, the Foundation presents information regarding its financial position and activities according to two classes of net assets described as follows:

- *Net Assets Without Donor Restrictions* - Net assets without donor restrictions are net assets not subject to donor-imposed restrictions or the donor-imposed restrictions have expired. These net assets are available for use at the discretion of the Board of Directors (the "Board") and/or management for general operating purposes.
- *Net Assets With Donor Restrictions* - Net assets with donor restrictions are net assets subject to donor-imposed stipulations that may be fulfilled by actions of the Foundation to meet the stipulations, that may become undesignated by the passage of time, or that require net assets to be permanently maintained, thereby restricting the use of principal.

Contributions received and unconditional promises to give are measured at their fair values and are reported as increases in net assets. The Foundation reports gifts of cash and other assets as donor restricted support if they are designated as support for future periods. Donor restricted net assets are reclassified to net assets without donor restrictions when the restriction expires and are reported in the statement of activities as net assets released from donor restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restrictions, except those that involve a time restriction and are classified as net assets with donor restrictions.

3. Liquidity

Assets and liabilities are presented in the accompanying statement of financial position according to their nearness of conversion to cash and, their maturity and resulting use of cash, respectively.

4. Cash Equivalents

The Foundation considers all highly liquid financial instruments with original maturities of three months or less to be cash equivalents. Cash and cash equivalents included in investments are not available for use in operations and are not considered cash for the purpose of presenting cash flows. The Foundation maintains its cash accounts at two financial institutions. At times throughout the year, the Foundation's cash and cash equivalents balances may exceed amounts insured by the Federal Deposit Insurance Corporation and the Securities Investor Protection Corporation.

5. Investments

Investments, other than real estate, are stated at fair value. Real estate is stated at the lower of net realizable value or appraised value at the date of donation.

6. Estates in Process

The Foundation recognizes a receivable and revenue for its interest in estates in process based on the estimated realizable value expected to be received. The Foundation records estates in process when the court declares the related will valid.

7. Investments Held in Charitable Remainder Trusts and Charitable Trust Obligation

The Foundation holds assets as trustee of various charitable trusts for which annuity or unitrust payments are paid to beneficiaries of the trust. Assets, contribution revenue and an obligation for the present value of the expected payments to beneficiaries are recorded when the assets are received. Subsequent changes in the fair value of the assets and liabilities are recognized as changes in the value of split-interest agreements, a component of investment return in the accompanying statement of activities.

8. Beneficial Interest in Survivor Trusts

The Foundation is named beneficiary of various lead and remainder trusts, the assets of which are held by trustees other than the Foundation. Contribution revenue and the related assets' interest are recognized using the present value of assets expected to be received. Subsequent changes to the fair value of the assets are recognized as changes in the value of split-interest agreements, a component of investment return in the accompanying statement of activities.

Community Foundation of Tampa Bay, Inc.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

9. Property and Equipment

Property and equipment are stated at cost. Depreciation is calculated using the straight-line method over the estimated useful lives, five to ten years, of the respective tangible and software assets. Leasehold improvements are depreciated over the sixty-four and sixty month lease terms. The Foundation capitalizes asset acquisitions exceeding \$500.

10. Charitable Gift Annuity Obligations

The Foundation has entered into various charitable gift annuity agreements with its donors and is obligated to make payments to the annuitants for the remainder of their lives. The contributed funds immediately become part of the general assets of the Foundation. A separate "reserve" investment account is maintained in an amount not less than 110% of the present value of future benefits.

Assets received are recorded at fair value on the date of the funding of the annuity, and a liability is recorded equal to the present value of the estimated future obligations based on mortality rates derived from ordinary life annuity tables.

The difference between the fair value of assets contributed and obligations recorded is recognized as contribution revenue. Subsequent changes to the fair value of the liabilities are recognized as changes in the value of split-interest agreements, a component of investment return in the accompanying statement of activities

11. Liability for Agency Funds

The Foundation follows the provisions of FASB ASC 958-605, *Transfers of Assets to a Not-for-Profit Organization or Charitable Trust that Raises or Holds Contributions for Others*. This accounting standard establishes standards for transactions in which a donor makes a contribution to the Foundation which accepts and agrees to use those assets for the benefit of the donor. It also establishes standards for transactions in which a donor makes a transfer to benefit a third-party charitable organization having a fund at the Foundation but for which the donor does not explicitly grant the Foundation variance power over the gift.

The Foundation maintains variance power and legal ownership of agency funds and, as such, continues to report the funds as assets of the Foundation. However, in accordance with FASB ASC 958-605, a liability has been established for the value of the funds, which is generally equivalent to the present value of future payments expected to be made to the not-for-profit organizations.

At June 30, 2022, the Foundation was the owner of 283 agency funds with a combined fair value of \$52,020,184 which is presented as a liability in the Foundation's statement of financial position. Financial activity related to these funds is excluded from the Foundation's statement of activities.

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

The following summarizes activity in such funds during the year ended June 30, 2022:

Agency fund balances, June 30, 2021	\$ 50,965,211
Contributions and bequests	10,026,038
Net investment return	(5,322,584)
Grants	(3,212,648)
Support of Foundation services	(435,805)
Other expenses	<u>(28)</u>
Agency fund balances, June 30, 2022	<u>\$ 52,020,184</u>

12. Administrative Fees

The Foundation charges component funds an administrative fee for managing and administering the fund during the year. The fees are calculated monthly and are based on the fund's balances. Administrative fees transferred from component funds to support the operations of the Foundation were \$3,838,009 for the year ended June 30, 2022. The fees are eliminated in the accompanying financial statements.

13. Income Taxes

The Foundation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Foundation is a not-for-profit Florida corporation and therefore is not subject to state income taxes. Management is not aware of any activities that would jeopardize the Foundation's tax-exempt status. The Foundation is not aware of any tax positions it has taken that are subject to a significant degree of uncertainty. Tax years after June 30, 2018 remain subject to examination by taxing authorities.

14. Donated Goods and Services

The value of donated goods and services is recorded at the fair market value of the related donation at the time of receipt.

15. Concentrations of Credit Risk

Financial instruments which potentially subject the Foundation to concentrations of credit risk consist principally of cash and money market accounts.

16. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and

assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the reporting period. Actual results could differ from these estimates.

17. Functional Allocation of Expenses

The costs of providing program services and other activities have been summarized on a functional basis in the statement of activities. Expenses are applied to functional areas of program services, management and general, and development using specific identification when possible. Grants awarded are applied directly to program services.

Donor appreciation events and donor outreach campaigns are applied directly to development. Staff training expenses are applied directly to management and general expense.

Expenses that cannot be specifically identified with one functional area are allocated among program, management and general, and development on the basis of management's estimate of the time spent by employees, role of employee with the Foundation, or some other reasonable measurement methodology. Accordingly, certain costs have been allocated among the program services and supporting services benefited as shown in the statement of functional expenses for the year ended June 30, 2022.

NOTE D - RELATED PARTY TRANSACTIONS

The Foundation received approximately \$46,000 of operating contributions and approximately \$775,000 of contributions to donor advised funds from trustees or trustee-related companies during the year ended June 30, 2022. The Foundation maintains funds at certain financial institutions where Trustees of the Foundation are employed.

NOTE E - PROFIT SHARING PLAN

The Foundation sponsors a salary reduction profit sharing plan under the provisions of Section 401(k) of the Internal Revenue Code. The plan covers all full-time employees who have completed three months of service and attained the age of twenty-one. The Foundation may make a discretionary contribution which is allocated to those eligible participants who are employed at the plan's calendar year end. The Foundation provided discretionary contributions of approximately \$160,000 for the fiscal year ended June 30, 2022.

NOTE F - COMMITMENTS

The Foundation leases equipment and conducts its operations in leased facilities classified as operating leases. The Foundation entered into a non-cancellable operating lease during 2017. Terms of the operating lease include 64 months of monthly payments with one option to extend the lease for three years. The operating lease contains escalating rent payments each year for the 64-month agreement.

The Foundation entered into an additional non-cancellable operating lease during February 2020. Terms of the operating lease include 60 months of monthly payments with one five-year renewal option. The operating lease contains escalating rent payments each year for the 60-month agreement.

NOTE F – COMMITMENTS - Continued

The following is a schedule of approximate minimum lease payments under these operating leases:

<u>Year ending June 30,</u>	
2023	\$ 259,000
2024	217,000
2025	66,000
2026	<u>5,000</u>
	<u>\$ 547,000</u>

Rent expense for the Foundation was \$249,701 for the year ended June 30, 2022.

NOTE G - MAJOR CONTRIBUTORS

Six donors contributed approximately \$196 million (one donor contributed approximately \$116 million), which provided 82% of the Foundation's contribution and bequest income during the year ended June 30, 2022.

NOTE H - FEDERAL GRANT REVENUE

The Foundation entered into an agreement with Hillsborough County of Florida to administer a grant program funded by the American Rescue Plan Act of 2021. Terms of the agreement included reimbursement for distributed funds to Not-for-Profit applicants within Hillsborough County meeting certain program criteria (not to exceed \$5,000,000), as well as funding for administrative fees of the Foundation (not to exceed \$500,000). The agreement began on December 8, 2021 and ended on September 30, 2022. Total revenue from the agreement was \$5,322,500 for the year ended June 30, 2022.

NOTE I - FAIR VALUE OF FINANCIAL INSTRUMENTS

Financial Accounting Standards Board ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements).

Community Foundation of Tampa Bay, Inc.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2022

NOTE I - FAIR VALUE OF FINANCIAL INSTRUMENTS - Continued

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 valuations, where the valuation is based on quoted market prices for identical assets or liabilities traded in active markets (which include exchanges and over-the-counter markets with sufficient volume),
- Level 2 valuations, where the valuation is based on quoted market prices for similar instruments traded in active markets, quoted prices for identical or similar instruments in markets that are not active and model-based valuation techniques for which all significant assumptions are observable in the market, and
- Level 3 valuations, where the valuation is generated from model-based techniques that use significant assumptions not observable in the market, but observable based on company-specific data. These unobservable assumptions reflect the Foundation's own estimates for assumptions that market participants would use in pricing the asset or liability. Valuation techniques typically include option pricing models, discounted cash flow models and similar techniques, but may also include the use of market prices of assets or liabilities that are not directly comparable to the subject asset or liability.

- (a.) The partnership focuses on small and medium-sized value investments, principally of corporate stock. The value of this investment class is based on the Foundation's pro-rata partnership interest and the estimated fair value of the partnership as provided by the general partner. Approximately 87% of the partnership's assets are valued based on quoted prices in active markets for identical assets. Approximately 13% of the partnership's assets are valued by the general partner based on significant unobservable inputs, including, without limitation, type of security, pending mergers or acquisitions, and current and projected financial condition.
- (b.) Fair value of the land development partnership is based on the partner's capital account, at cost, and without any attempt to adjust to the fair value of the underlying undeveloped land.
- (c.) Fair value of real estate is based on the appraised value of the Foundation's one-third ownership interest of a working ranch.
- (d.) Fair value of the investments in partnerships is based on the partner's capital account at the date of the gift of the partnership interest, and without any attempt to adjust to the fair value of the underlying assets.
- (e.) This class includes Level 2 assets invested in hedge fund-of-funds. The June 30, 2022 fair value is based on the net asset value of the fund-of-funds as reported by the respective hedge fund-of-funds' administrator. Management believes it could have redeemed its investment at the net asset value per share at the statement of financial position date.

NOTE I - FAIR VALUE OF FINANCIAL INSTRUMENTS - Continued

Each fund-of-funds invests in a number of single-strategy and/or multi-strategy hedge funds and is susceptible to market price risk arising from uncertainties about future values of those underlying hedge funds' investments. The hedge fund-of-funds' manager makes investment decisions regarding each hedge fund after an extensive assessment of each underlying fund, its strategy and the overall quality of the fund manager.

Hedge fund strategies used by hedge fund-of-funds included but are not limited to: long-short term equity, market neutral equity, event driven, global macro, relative value, quantitative, activist, distressed, fixed income, credit and global trading.

- (f.) This class includes investments in both global and domestic private equity funds. The Foundation's investments in these funds can never be redeemed with the funds. Instead, the nature of the investment in this class is that distributions are received through the liquidation of the underlying assets of the fund. It is believed that the life-cycle of the funds is 10 to 12 years. 4%, 26%, 12%, 41% and 17% of the fair value of the funds at June 30, 2022 reach projected final closing in years 2025, 2026, 2028, 2030 and 2032. A secondary market exists for the funds. The fair value of the investment in this class has been estimated using the net asset value per share of the investment.
- (g.) This class includes investments in a diversified portfolio of private loans. The term of the of the partnership agreement is 10 years with the possibility of 2 two (2) two-year extensions in the discretion of the general partner. The fund distributes profits on a quarterly basis. Valuations are made by the general partner on a quarterly basis. The fair value of the investment in this class has been estimated using the net asset value per share on the investment.

The following table summarizes at June 30, 2022, the valuation techniques and significant unobservable inputs used for Level 2 and Level 3 assets not having a readily determinable fair value that do not calculate net asset value per share or its equivalent and for Level 3 liabilities.

NOTE J - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

As a part of the Foundation's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations become due. The Foundation invests cash in excess of daily requirements in short-term investments. The following reflects the Foundation's financial assets as of June 30, 2022, reduced by amounts not available for general use because of contractual, donor-imposed restrictions or board designated restrictions within one year of the statement of financial position date:

Total financial assets	<u>\$ 499,126,043</u>
Less amounts not available to be used within one year	
Level 2 investments	102,657,048
Level 3 investments	41,219,764
Estates in process	1,370,031
Investments held in charitable remainder trusts	3,270,005
Beneficial interest in survivor trusts	1,342,485
Other assets	139,151
Property and equipment, net of accumulated depreciation	288,397
Less board designated funds	
Board designated matching fund	557,669
Board designated operating endowment fund	996,158
Board designated operating reserve funds	<u>2,725,979</u>
Total assets not available to be used within one year	<u>154,566,687</u>
Total financial assets available within one year for general expenditures within one year	<u>\$ 344,559,356</u>

The Foundation maintains a reserve policy to maintain an operating reserve fund equal to 75% of the annual operating budget expenditures. The operating reserve fund is maintained as a separate account held by the Foundation and is invested in short and mid-term investments based on an allocation set in the operating reserve policy. The use of operating reserve funds requires board approval and will be used for administrative operating expenses, exclusive of grant payments, during times of catastrophic loss or severe economic downturn.

The Foundation generally uses the assets held for donor advised funds for grant-making based on donor recommendations, although those funds are not donor restricted.

The Foundation has a policy that gives the Foundation's board the authority to determine the annual spending rate for funds adhering to the board spending policy. The spending rate is expected to fall between 3.50% and 5.50% each year based on the fund's average balance for the number of quarters in existence, up to twelve quarters, preceding December 31st of the year prior to distribution. The donor has the option to direct the Foundation to limit the distribution during the first twelve quarters.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

For the year ended June 30, 2022

NOTE A - BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of the Community Foundation of Tampa Bay, Inc (the "Foundation") and is presented on the accrual basis of accounting. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Foundation, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Foundation.

Expenditures report on the Schedule of Expenditures of Federal Awards are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types are not allowable or are limited as to reimbursement.

NOTE B - INDIRECT COST RATE

The Foundation has elected not to use the 10-percent de minimis indirect cost rate under Uniform Guidance.

NOTE C - CONTINGENCIES

These federal programs are subject to financial and compliance audits by grantor agencies which, if instances of material noncompliance are found, may result in disallowed expenditures. The amount, if any, of expenditures which may be disallowed by the grantor agencies cannot be determined at this time, although the Foundation expects such amounts, if any, to be immaterial.

NOTE D - SUBRECIPIENTS

The Foundation did not provide any federal awards to subrecipients.

June 30, 2022

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Board of Directors
Community Foundation of Tampa Bay, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Community Foundation of Tampa Bay, Inc., which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 15, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Community Foundation of Tampa Bay, Inc.'s internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Foundation of Tampa Bay, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Community Foundation of Tampa Bay, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Foundation of Tampa Bay, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE

Community Foundation of Tampa Bay, Inc.

June 30, 2022

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
FOR EACH MAJOR PROGRAM AND ON INTERNAL
CONTROL OVER COMPLIANCE REQUIRED BY THE
UNIFORM GUIDANCE

Board of Directors
Community Foundation of Tampa Bay, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Community Foundation of Tampa Bay, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Community Foundation of Tampa Bay, Inc.'s major federal programs for the year ended June 30, 2022. Community Foundation of Tampa Bay, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Community Foundation of Tampa Bay, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Community Foundation of Tampa Bay, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Community Foundation of Tampa Bay, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Community Foundation of Tampa Bay, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Community Foundation of Tampa Bay, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Community Foundation of Tampa Bay, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Community Foundation of Tampa Bay, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Community Foundation of Tampa Bay, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Community Foundation of Tampa Bay, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
